Introducing Our New DREAM BIG Awards & The Road to 500!

Dear Parents and Carers,

We're excited to share some new ways that we'll be recognising and celebrating our DREAM BIG values across school this year.

Our DREAM BIG values are at the heart of life at Winshill Village, and we want to celebrate the children who demonstrate these values through their choices, actions, attitudes and the way they treat others each and every day.

As part of this, we are introducing two special DREAM BIG awards, alongside the exciting relaunch of our ClassDojo rewards as The Road to 500!

Values Superstar – Weekly Class Award

Each week, classes will focus on one of our DREAM BIG values, with a particular area linked to that value.

Throughout the week, children will be encouraged to notice their classmates demonstrating the value. On Friday, they will have the opportunity to nominate someone they feel has really shown it.

One child from each class will then be chosen as the Values Superstar for that week. Their achievement will be celebrated in class and displayed on the Recognition Board, and they will receive a special postcard home so that you can celebrate their achievement too.

DREAM BIG Champion – Whole-School Award

Our **DREAM BIG Champion** award is a little different. These children will be nominated by staff and recognised for consistently demonstrating **all of our DREAM BIG values** and being a fantastic example to others.

We'll keep our Champions a surprise until they are revealed during Monday's whole-school assembly, when we can celebrate their achievement together.

Our DREAM BIG Champions will have their photo taken, receive a special postcard home and be invited to a **monthly Champion treat** alongside the other winners from that month. This could be a pizza party, film and popcorn afternoon, games afternoon or another special activity!

ClassDojo Rewards Relaunch – The Road to 500!

We're also really excited to relaunch our **ClassDojo reward system** with a brand-new challenge for all of our children – **The Road to 500!**

Throughout the **Autumn Term**, every child will be challenged to work their way towards an exciting goal of **500 Dojo points**.

Children will continue to earn Dojo points throughout the school day for making positive choices, working hard, showing kindness, demonstrating fantastic learning behaviours and, of course, living out our **DREAM BIG values**.

 Belonging Independent Growth

Every child will be working their way along **The Road to 500**, with exciting milestones to reach and rewards to unlock along the way. The more positive choices they make and the more they demonstrate our school values, the further along the road they will travel.

Most importantly, The Road to 500 is about recognising **individual effort and progress**. Every child has the opportunity to succeed, achieve milestones and feel proud of the positive choices they make each day. We hope The Road to 500 will bring even more excitement to earning Dojo points and encourage our children to keep making positive choices throughout the term.

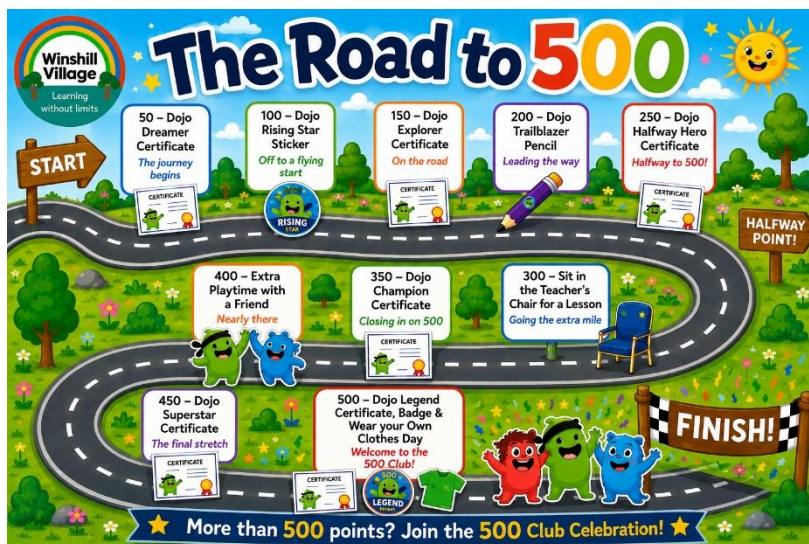

We may also share and celebrate our award winners and Road to 500 achievements on ClassDojo, so that our wider school community can join us in recognising the wonderful things our children are doing.

Most importantly, we want every child to know that there are so many ways to succeed and be recognised at Winshill Village.

We can't wait to get started and celebrate all the wonderful things our children achieve!

Thank you, as always, for your continued support.
