- Ensure that all pupils, including LAC and PLAC, access high-quality teaching and a broad, balanced curriculum tailored to meet individual needs and legal requirements.
- Plan and deliver targeted support for LAC and PLAC effectively, making efficient and impactful use of school resources.

The SENCO is responsible for:

- Liaising with the class teacher, designated teacher, specialists and parents when considering interventions to support the progress of previously-LAC.

Staff are responsible for:

- Preserving confidentiality, where appropriate, and showing sensitivity and understanding.
- Being vigilant for any signs of bullying towards LAC and previously-LAC.
- Being vigilant for any signs of safeguarding concerns surrounding LAC and previously-LAC due to their increased vulnerability to harm, and reporting any concerns to the DSL as soon as possible.
- Promoting the self-esteem of LAC and previously-LAC.

4. Personal Education Plan (PEP)

- All LAC must have a care plan; PEPs are an integral part of this care plan.
- The PEP is an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential. The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child. The PEP will be reviewed termly.
- The school with other professionals and the child's carers will use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances.

Winshill Village Primary and Nursery School
Approach for Looked After Children (LAC)

- All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.
- The PEP will address the pupil's full range of education and development needs, including:
 - Access to nursery provision that is appropriate to the child's age.
 - On-going catch-up support, which will be made available for children who have fallen behind with work.
 - Suitable education provided by the LA, where the child is not in school because of suspension or exclusion.
 - Transitional support where needed, such as if a child is moving to a new school.
 - School attendance and behaviour support, where appropriate.
 - Support to help the child meet their aspirations, which includes:
 - Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
 - Out-of-school hours learning activities, study support and leisure interests.
- The VSH and the designated teacher will ensure that information is included within a LAC or previously-LAC's PEP surrounding how they are benefitting from any use of PP+ funding to improve their attainment
- Any interventions supported by PP+ will be evidence-based and in the best interests of the pupil.

5. Working with Agencies and the VSH

- The school will ensure that copies of all relevant reports are forwarded to the LAC social workers, in addition to carers or residential social workers.
- The school will coordinate their review meetings; for example, hold their annual review of LAC with their statutory care review.
- The school will work with other agencies to exchange information, such as changes in circumstances, exclusions or attendance issues, taking prompt action, where necessary, to safeguard LAC and previously-LAC.
- Behaviour management strategies will be agreed between the VSH and the school, to ensure challenging behaviour is managed in the most effective way for that individual child.
- The designated teacher for LAC and previously-LAC will communicate with the VSH and child's social worker to facilitate the completion of the PEP.

Through the designated teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's PEP are implemented without delay.

The designated teacher will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the child's educational attainment and progress.

PP+ for previously-LAC will be allocated directly to, and managed by, the school.

The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of LAC, or previously-LAC, and according to their needs.

If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.

Winshill Village Primary and Nursery School
Approach for Looked After Children (LAC)

The designated teacher will ensure consistent and strong communication with the VSH regarding LAC who are absent without authorisation.

The school will share their expertise on what works in supporting the education of LAC and previously-LAC.

6. Training

The designated teacher and other school staff involved in the education of LAC and previously-LAC have received the appropriate training, this includes information about the following:

- School admissions arrangements
- SEND
- Attendance
- Exclusions
- Homework
- Managing and challenging behaviour
- Promoting positive educational and recreational activities
- Safeguarding

7. Safeguarding

- The school recognises that many LAC or previously-LAC have experienced trauma, abuse or complex family circumstances that have led to them being placed in care, and will ensure that all staff are aware that experiences of adversity such as these can leave pupils vulnerable to further harm or exploitation.
- All staff will be trained to recognise signs and indicators of safeguarding concerns and will ensure that extra vigilance is practiced in observing and identifying these indicators amongst LAC and previously-LAC as soon as possible.
- Where a LAC or previously-LAC has a social worker, this will inform decisions about safeguarding, e.g. responding to unauthorised absence or missing education where there are known safeguarding risks.
- The headteacher will implement appropriate pastoral support services in place throughout the school to ensure that the welfare of LAC and previously-LAC can be adequately protected to the extent that reflects their increased vulnerability.
- Staff will be encouraged to report to the DSL any concerns they have over LAC or previously-LAC in line with the processes outlined in the policy and procedures for Child Protection and Safeguarding.
- Staff will be regularly encouraged to look for signs of bullying and report to the designated teacher if they believe a LAC or previously-LAC is being bullied, as this can have a particularly negative impact on pupils who have early experiences of rejection or abandonment.

8. Pupil Mental Health

Winshill Village Primary and Nursery School
Approach for Looked After Children (LAC)

- LAC and previously-LAC are more likely to experience the challenge of social, emotional and mental health issues which can impact their behaviour and education. Designated teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.
- The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on LAC and previously-LAC, and knows how to access further assessment and support, where necessary.
- The school understands that the increased frequency of mental health problems amongst LAC and previously-LAC may present a barrier to adequately identifying when mental health problems are indicative of a safeguarding concern. For this reason, the designated teacher will ensure that they, and all staff who maintain regular contact with LAC or previously-LAC are vigilant surrounding any changes in the mental health, behaviour, social inclination or mood of these pupils.
- A strengths and difficulties questionnaire will be used on a termly basis to help social workers and other relevant professionals to form a view about LAC and previously-LAC's current emotional wellbeing. Teachers will complete their element of the questionnaire to assist social workers in their assessment.

9. Suspensions & Exclusion

- Past experiences of LAC and previously-LAC will be considered when designing and implementing the school's Behaviour and Discipline Document.
- The school will have regard to the DfE's statutory guidance '[Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)' and recognises that suspending or excluding LAC can make them more vulnerable to harm due to not having the protection and opportunities school provides. The headteacher will balance this recognition alongside the need to ensure calm and safe environments for all staff and pupils, devising strategies that take both into consideration.
- Where the school has concerns about a child's behaviour, the VSH will be informed at the earliest opportunity.
- As far as possible, the school will engage proactively with the social worker or carer of a LAC to provide appropriate support for underlying issues that may be causing poor behaviour and improving this behaviour.
- As part of the termly review of a pupil's PEP, any concerns about their behaviour will be recorded, alongside information on how they are being supported to improve this and reduce the likelihood of exclusion.
- Suspension or permanent exclusion will only be used as a last resort. Permanent exclusion will only occur where there has been serious and/or persistent breaches of the school's procedures for behaviour and discipline or where allowing the pupil to remain in school would seriously harm the education or welfare of others.
- Where a LAC is likely to be subject to a suspension or permanent exclusion, the designated teacher will contact the VSH as soon as possible. The VSH will work with the designated teacher and other relevant individuals to consider what additional assessment and support need to be put in place to

Winshill Village Primary and Nursery School
Approach for Looked After Children (LAC)

help the school address the factors affecting the pupil's behaviour and reduce the need for suspension or permanent exclusion.

- The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion.

10. Pupils with SEND

- Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the child's PEP and care plan reviews.
- The SENCO, class teacher, designated teacher and specialists will involve parents when considering interventions to support their child's progress.
- If appropriate, the VSH will be invited to comment on proposed SEND provision for previously-LAC.
- The designated teacher and the SENCO will ensure that LAC and previously-LAC with SEND are supported in line with the SEND Document, with extra consideration given to the fact that some of the usual procedures for supporting pupils with SEND may lack applicability for LAC, e.g. where LAC are in residential care and, thus, will have their EHC plans taken care of by the LA rather than the general stipulation of the place where they are ordinarily resident.

11. Information Sharing

- Appropriate and specific arrangements for sharing reliable data are in place to ensure that the education needs of LAC and previously-LAC are understood and met.
- The arrangements set out include:
 - Who has access to information on LAC and previously LAC and how data will remain secure.
 - How pupils and parents are informed of, and allowed to challenge, information that is kept about them.
 - How carers contribute to and receive information. Mechanisms for sharing information between the school and relevant LA departments.
 - How relevant information about individual pupils is passed between authorities, departments and the school when pupils move.

12. Monitoring and Review

This document will be reviewed on an annual basis by the designated teacher and the headteacher
